# CURTAIN PROFILES

## INNOVATIVE SOLUTION FOR CURTAIN SYSTEMS

**Mardom Decor was the first to introduce curtain system solution in the World,** which has become the top choice of architects, designers and private customers. In our offer we **have the widest selection of products** which will for sure fulfil your needs.

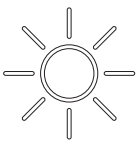

### WHAT'S UNIQUE ABOUT MARDOM DECOR CURTAIN PROFILES?

By now drywall housing were done to hide the drapery tracks systems. Main benefits of using MD curtain profiles are:

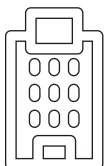

#### REDUCTION OF TIME AND COST DURING FURNISHING OF INTERIORS \*

Easy to install by just cutting up to measure and gluing of the profile to the ceiling. All needed accessories e.g glue is in MD range.

#### INNOVATIVE SOLUTION FOR LED LIGHTING

Profiles have been designed to be equipped with LED strips which gives you nice ambient effect.

#### PRIVATE AND COMMERCIAL USE

Wide offer of products gives opportunities to use them in various interiors: residential, commercial.

#### HIGHEST QUALITY

Profiles are manufactured with highest quality standard and with use of best possible raw materials in our factory in Lodz.
